## New for 2009-10

- **Final Roster Form** – Teams will be required to submit this form sooner than in the past. After this deadline, teams **must** request roster adjustments. Teams will be required to play two games with the new roster adjustment(s).
- **Game Records Form** – Teams must submit this form indicating games played along with assessments of games. Teams need to play two different teams in their classification.
- **Open Masters Division** – This division will be open to all Unified and Traditional teams that wish to play at a high level. Teams are required to play two games against other Open Division teams. Teams will not be divisioned by ability. Teams will be paired by a blind draw.
- **Open Junior Division** – The Open Junior Division will combine all Traditional and Unified teams (lack of competition). All junior teams will be required to play their two games against each other. Teams will be divisioned by ability level. Teams may be asked to participate at the Sectional level. All teams advancing out of sectional will participate at University of Indianapolis on March 27<sup>th</sup>.
- **Open Senior Division** – The Open Senior Division will combine all Traditional and Unified teams (lack of competition). All senior teams will be required to play their two games against each other. Teams will be divisioned by ability level. Teams may be asked to participate at the Sectional level. All teams advancing out of sectional will participate at University of Indianapolis on March 27<sup>th</sup>.
